invisible

(Dakloosheid)

Couplet 1

the voices are giving me a headache,
the cold floor keeps me awake

Empty pockets every day,
is this life? , is this the way?

Retrein 1

People don't notice my appearance,
they wouldn't give me a chance

My addiction takes control,
disappearing my love and soul,
I don't exist I'm invisible.

Couplet 2

Should I go on or is this the end?
Shall I be loved, and get a friend

like a cart from a nite,
~~isn't~~ this isn't the way of life.
